Childbirth Classes & Tours

Jersey City Medical Center conducts a pre-natal childbirth education program. The sessions are held on four consecutive nights from 6:00 to 8:00 p.m. Light refreshments will be provided. The cost of the program per couple is \$125.00 paid with cash or a check. For more information or to schedule an appointment, access the website (www.libertyhcs.org) or contact April Major, (201) 521-5900.

We also conduct tours of our Maternity Unit for expecting parents. To schedule an appointment for a tour, call (201) 521-5900.
