

Enhancing Life Through Expanded Outpatient Services

Introducing the LibertyHealth Outpatient Physical Therapy Center

LibertyHealth Outpatient Physical Therapy Center
377 Jersey Avenue (Skinner Memorial Drive), 2nd Floor

Opening Soon

Our new LibertyHealth Outpatient Physical Therapy Center is a state-of-the-art, 3,000 square foot facility designed to provide personalized physical therapy services to the community. This building has the most outpatient services under one roof in Hudson County, along with the latest technology to diagnose and treat patients on-site. Our building is conveniently located on our Jersey City Medical Center campus near the Jersey Avenue PATH station and offers parking and wheelchair accessibility.

Conditions we help to rehabilitate include:

- Arthritis
- Back Pain
- Bursitis
- Epicondylitis
(tennis/golfer's elbow)
- Knee/Hip
Replacements
- Rotator Cuff Tears
- Sciatica
- Sprains/Strains
- Stroke
- Tendonitis
- Upper and Lower
Extremity Fractures
- And more...

Our physical therapists will use the most advanced modalities and expertise to provide personalized programs to rehabilitate outpatients suffering from conditions of the neuromuscular and skeletal systems.
