

LIBERTY REHABILITATION INSTITUTE

MEADOWLANDS HOSPITAL

WE TAKE REHAB PERSONALLY

In an independent survey, our patients ranked us among the top 10% nationally of inpatient rehabilitation programs in physical, speech and occupational therapy. LRI provides high-quality, individualized, one-on-one treatment to get patients back on their feet and fully restored function. But our care doesn't end there. Our professional, caring staff maintain contact with each patient until we're confident you have settled into your new routine. **You are in good hands at LRI.**
