

Enhancing Life...

Through Physician Recommended Care

Jersey City Medical Center was the only hospital to be recognized in the "Top 10" in all categories, including the following:

- #1 High-Risk Pregnancy
- #1 Neurological Disorders
- #1 Stroke
- #2 Congestive Heart Failure
- #2 Coronary Bypass
- #3 Prostate Cancer

Congratulations to our dedicated Physicians, Nurses, EMTs, and hospital staff for making Jersey City Medical Center the:

#1 Overall NJ Hospital*

according to Castle Connolly Medical Ltd.'s recent survey of New Jersey physicians.

We would like to thank all of the doctors and patients throughout New Jersey who recommended us for these honors.
