

On behalf of the Board of Trustees of LibertyHealth System Inc., we offer our congratulations to Joseph F. Scott on achieving the designation of Fellow of the American College of Healthcare Executives.

The American College of Healthcare Executives is a professional society of more than 30,000 healthcare executives who lead our nation's hospitals, healthcare systems and other healthcare organizations. But only 7,500 healthcare executives hold the distinction of fellow.

Fellow status represents achievement of the highest standard of professional development. To obtain Fellow status, candidates must fulfill multiple requirements, including passing a comprehensive examination, meeting academic and experiential criteria, earning continuing education credits and demonstrating professional/community involvement. Fellows are also committed to ongoing professional development and undergo recertification every three years.

For his hard work, his achievement and his on-going commitment, the Board of Trustees of LibertyHealth recognizes Joseph F. Scott, President and CEO, LibertyHealth System.
