THE HUDSON REPORTER NEWSPAPERS

JCMC HOSTS VISITING PARAMEDIC STUDENTS FROM CANADA — Hudson County Communications Emergency Network supervisor John Brophy speaks to paramedics and faculty members from New Brunswick, Canada who is at Jersey City Medical Center this week to observe the operations and various clinical areas of the medical center's Emergency Medical Services department. A group of 26 paramedic students and four faculty members traveled to share information and ideas with Jersey City Medical Center's EMS and Education department as part of their "Best Practices trip." They will be observing the operations of various clinical areas in the hospital, riding in the ambulances, sitting in on the paramedic training, and spending time in the simulation center.
