

# Enhancing Life...

by accepting more insurance programs than any other Hudson County hospital.

## 72 DOCTORS FROM THE CITY OF BAYONNE ARE NOW ASSOCIATED WITH JERSEY CITY MEDICAL CENTER

- Named the “#1 Overall Hospital” (with less than 350 beds) by the most recent Castle Connolly Medical Ltd.’s survey of doctors throughout New Jersey.
- Recognized with the prestigious Magnet Award for Nursing Excellence – the only hospital in Hudson, Essex, or Union counties to receive this designation.
- JCMC accepts insurance from over 35 different companies and does not charge anything in excess of routine deductibles and co-payments if you have one of these insurance policies in effect.

All of this means you can have convenient, local care in your neighborhood – without sacrificing the award-winning quality that has made Jersey City Medical Center a magnet for many of the best doctors New Jersey has to offer.
