

Jersey City Medical Center (JCMC)

**is giving notice that it no longer operates a
Pediatric Intensive Care Unit (PICU).**

JCMC does provide a full range of other maternal-child services such as pediatric emergency services, a pediatric unit, maternity services, and a neonatal intensive care unit (NICU).

The hospital maintains complete medical records for all pediatric patients previously or currently treated at the hospital in full accordance with N.J.S.A. 8:26:8.5 and N.J.A.C. 8:43G-15.2.

Copies of medical records for patients served by the PICU and other Pediatric Services are available during normal business hours (Monday to Friday from 9 AM to 5 PM).

Jersey City Medical Center is a **Magnet Designated Hospital** and is the **regional trauma center for Hudson County**.
