Health Services

Special Presentation and Tribute

Noemi Fulgencio

Thank You &
Congratulations!

At Jersey City Medical Center we are committed to enhancing the health of the patients and communities we serve throughout Northern New Jersey. Our nursing team's motivation, expertise, and dedication to this mission has enabled Jersey City Medical Center to become the only hospital in Hudson, Essex, and Union counties to be recognized with the prestigious **Magnet Award for Nursing Excellence**.

To honor our award winning nursing team and to celebrate our top nurse performers, we recently held our 8th Annual Nurse Excellence Award Ceremony. These members of LibertyHealth's team were nominated by their peers for

their merit in a variety of areas, including: **Team Spirit, Patient Advocacy, Preceptor/Mentorship, Professional Development, Transformational Leadership, and Clinical Expertise**. In addition, one staff member was recognized for their overall merit with a **Special Presentation and Tribute**.

We would personally like to thank these top performers and the entire LibertyHealth team for their dedication to healthcare excellence and continued commitment to Enhancing Life throughout Northern New Jersey.
